

Offers members of Anthem Blue Cross and Blue Shield &  
HealthNet

**Traditional LASIK \$895**

**Custom LASIK \$1,295**

Per eye in CT, ME, and NH. Prices in other states may vary.

## Laser Vision Correction

Why pay more than you have to?

TruVision's participating board certified surgeons have successfully performed over 400,000 procedures using only FDA approved lasers.

This offer includes the great service you expect: a pre-operative eye exam, LASIK , epi-LASIK or PRK, post-operative care, and an enhancement warranty program.

- Deposit required when booking pre-operative exam
- Deposit is fully-refundable prior to scheduling surgery
- If possible, please have eyeglass prescription available prior to calling for an appointment
- Price subject to change without notice

This is a discount program only. The products and services are not covered benefits under your health plan. Your premiums are not affected by this program.

Costs of program, services and products do not count toward calendar year copayment maximums, or lifetime maximums and/or plan deductibles.
